

JETAA Getting Acquainted Meeting

On February 17th 2017, the Japanese Embassy held the JET (Japan Exchange and Teaching Programme) Alumni getting acquainted meeting.

This was our first time to meet all former JET participants together since we established the Embassy on January 1st 2016.

At the meeting, all members agreed to have regular meetings and contribute to maintaining the strong friendship between Japan and Barbados. Also they spoke highly of their different cultural experiences while in Japan. They hope that their experiences can be of some use to the Embassy in the future.

「*Hajimemashite*」
“Nice to meet you”
