

## 2017 JET Send-Off Meeting

On June 16<sup>th</sup>, 2017, The Japanese Embassy held the 2017 JET Send-Off Meeting hosted by Ambassador Shinada at Accra Beach Hotel.

The purpose of this event was to allow our two new JET participants a chance to listen to advice from 4 members of the JETAA. The new JETs were able to learn about different social and cultural experiences they may have while in Japan and encouraged to keep an open mind and do their best as ambassadors of Barbados.
