

VACANCY

Diplomatic Mission

Requires a

POLITICAL AND ECONOMIC RESEARCHER

The ideal candidate should hold a Master's degree, preferably in the area of Political Science, Economics or International Affairs. Candidates are expected to prepare various types of documents including speeches and letters and as such must have an excellent command (oral and written) of the English language. The candidate should also possess superb research skills and be able to function in a multicultural environment. The ability to perform protocol-related duties would be an asset.

Please note that candidates who possess a combination of a minimum of a Bachelor's degree and relevant/suitable experience are also welcome to apply.

Successful applicant is expected to start working for the Embassy in the middle of October 2014.

Interested applicants should submit a cover letter and resume

NO LATER THAN OCTOBER 3, 2014

to

EMBASSY OF JAPAN

PO BOX 1039

PORT OF SPAIN

or
