### The Project for Improvement of Grenada Boys' Secondary School

(Grant Assistance for Grass-roots Human Security Projects)

**Country** Grenada

**Field** Education, Secondary Education

**Grant Amount** Up to 89,583 US dollars

**Signing of Grant Contract** February 6<sup>th</sup>, 2006

**Recipient** Grenada Boys' Secondary School

**Project Site** Tanteen, St. George's

#### Outline of the Project

The purpose of this project is to support Grenada Boys' Secondary School, as it seeks to renovate the school buildings which were destroyed by Hurricane Ivan and Emily in 2004 and 2005 respectively.

This grant was used for the construction of a vocational training building.

The implementation of this project contributed significantly to the school's progress.
