### The Project for Provision of Ambulance for Rural Medical

(Grant Assistance for Grass-roots Human Security Projects)

#### Country

Saint Vincent and the Grenadines

#### Field

Public Health Care

#### Grant Amount

Up to 90,900 US dollars

#### Signing of Grant Contract

August 27<sup>th</sup>, 2004

#### Recipient

Milton Cato Memorial Hospital

#### Project Site

Chateaubelair and Georgetown

### Outline of the Project

This grant was used for the provision of 2 new ambulances to the Milton Cato Memorial Hospital. One was assigned to the Chateaubelair District and the other to the Georgetown District.

The two ambulances made a significant contribution to the people of the island, as they have ensured that citizens situated on both the eastern and the western side have access to a ready medical team if and when the need arises.
