### The Project for Procurement of Autoclave of Mamatoto Resource and Birth Centre

(Grant Assistance for Grass-roots Human Security Projects)

**Country** The Republic of Trinidad and Tobago

**Field** Health

**Grant Amount** Up to 4,795 US dollars

**Signing of Grant Contract** March 29<sup>th</sup>, 2012

**Recipient** Mamatoto Resource and Birth Centre

**Project Site** Belmont, Trinidad

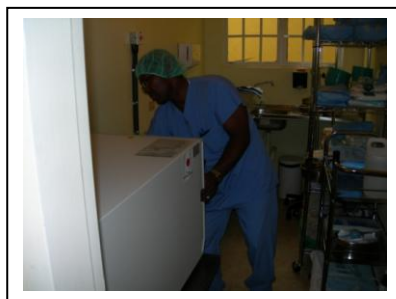

#### Outline of the Project

Through the purchase of an autoclave, it is expected that the Mamatoto Resource and Birth Centre will be able to sterilize the surgical equipment on site instead of paying other institutions for sterilization services. Moreover, the support for pregnant women and their families, particularly those who are facing financial difficulties, will be expanded.
