

The Project for Improvement of Vocational Training Centre

(Grant Assistance for Grass-roots Human Security Projects)

Country The Commonwealth of Dominica

Field Education, Tertiary Education

Grant Amount Up to 17,610 US dollars

Signing of Grant Contract December 13th, 2007

Recipient Centre Where Adolescents Learn to Love and Serve (CALLS)

Project Site Portsmouth

Outline of the Project

The purpose of this project is to support the work programme of the CALLS, as it seeks to provide the much needed first step to help and support the organisation's agricultural vocational training.

The grant was used for the construction of a greenhouse, the rehabilitation of part of the vocational training center and the provision of an allowance for the supervisor of agricultural vocational training.

This project made a meaningful contribution to the country's economy through this organization's activity.
