### The Project for Expanding and Improving Red Thread's Centre and Capacity to Provide Services and Conduct Advocacy

(Grant Assistance for Grass-roots Human Security Projects)

**Country** The Republic of Guyana

**Field** Public Welfare, Women and Children

**Grant Amount** Up to 73,634 US dollars

**Signing of Grant Contract** March 22<sup>nd</sup>, 2010

**Recipient** Red Thread

**Project Site** Georgetown

#### Outline of the Project

The purpose of this project is to support the work programme of Red Thread, as it seeks to reduce the vulnerability of women and children at the community level.

The grant was used for the renovation and expansion of the building, construction of revetments, and installation of solar panels.

Upon the completion of this project, Red Thread has become well equipped to better and more effectively extend its services to women and children who are most in need of such services.
