

21 June 2016

Visit to Origami class at the Ortoire (St. Joseph) RC (Roman Catholic) School in Mayaro

On 15 June, two of Embassy staff members visited the Ortoire (St. Joseph) RC (Roman Catholic) School in Mayaro, with a volunteer “Origami” instructor.

The pupils (in total 22 pupils, aged from 10 to 12 years) warmly greeted the Embassy delegation in Japanese, after which they made paper cranes under the guidance of Ms. Catherine Souddama, an Embassy-designated volunteer instructor. It was the first time the pupils tried their hands at “Origami” and they played happily with their own paper cranes.
