Broadcasting of Animation series “Space Brothers”

CCN TV6 will start broadcasting the animation series “Space Brothers” at 8:30 a.m. on Saturday 18 March 2017.

This broadcasting was made possible by a Japan Foundation project which offers a variety of Japanese television programs such as dramas, animations and documentaries, to TV stations around the world with a view to introducing diverse aspects of Japanese culture and society.

We hope that you will enjoy the story of these two brothers who promised each other in their childhood that they would become astronauts.
