

Exemption of Visa (Short-Term Stay)

For nationals of Barbados (since April 1, 2010), visas are not required for holders of Machine-Readable Passport (MRP) or ePassport in compliance with ICAO standards. Those who do not hold an MRP or ePassport are advised to obtain a visa in advance, otherwise will be strictly examined and may be refused entry to Japan.

In addition, when you are traveling to Japan from a third country, some of the travel agencies or local authorities may not be aware of this visa exemption agreement which would affect your entry to Japan. It would be recommended that you print the linked page below and bring it with you.
