Grant Amount

Up to 12,592 US dollars

Signing of Grant Contract

February 25th, 2010

Recipient

Portsmouth Town Council

Project Site

Dos D'Ane

Outline of the Project

This grant was used for the paving of roads and the construction of drainage for approximately 100 residents in Dos D'Ane area.

Upon completion of this project, daily traveling has become much more convenient for the farmers and students in this area, especially during the raining season. Moreover, in the event of an emergency, the essential services such as police, fire brigade and paramedics can reach these residents quickly.
