

The Project for Provision of Ambulance

(Grant Assistance for Grass-roots Human Security Projects)

Country Suriname

Field Public Health Care

Grant Amount Up to 35,400 US dollars

Signing of Grant Contract March 13th, 2008

Recipient Academic Hospital of Paramaribo

Project Site Paramaribo

Outline of the Project

The purpose of this project is to support the emergency health care service of the Academic Hospital of Paramaribo.

The grant was used for the purchase of a new ambulance.

Upon completion of this project, an improvement in the quality of health care, particularly emergency services, as well as subsequent improvement in the quality of life was experienced by the residents of Paramaribo and the surrounding region.
