

Send-Off Lunch for 2024 MEXT (Monbu-Kagaku-Sho) Scholarship Participant Mr. Brandon Tulsie

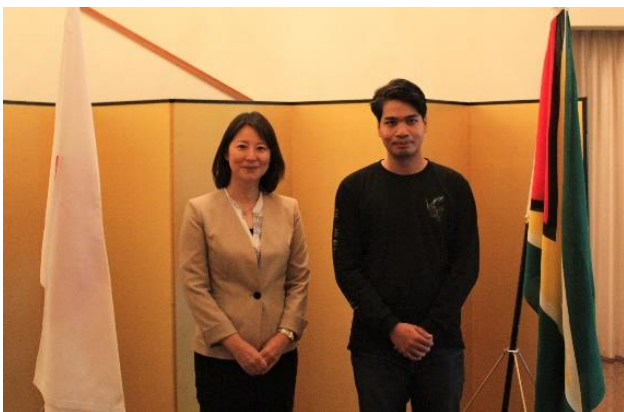

On Wednesday 11 September 2024, a send-off lunch with and for Mr. Brandon Tulsie from West Coast Berbice, Guyana, one of the 2024 MEXT (Monbu – Kagaku-Sho) Scholarship Awardees was held at the residence of His Excellency MATSUBARA Yutaka, Ambassador of Japan.

At the lunch, Ms. MAKINO Michiko, Charge d' Affairs of Embassy of Japan and Mrs. MATSUBARA hosted and welcomed Mr. Tulsie. During their meeting, they discussed the course that he will be pursuing, the University and areas of interest to be explored in Japan. They also offered him encouraging advice and useful information for his stay in Japan.

Mr. Brandon Tulsie will be undertaking studies in the Information Engineering and Computer Science at Shibaura Institute of Technology in Tokyo. His research will focus on standardizing communication among digital systems and sensors. More specifically, with the aim to bridge the digital divide in developing countries like Guyana, helping them adapt to the growing demands of a digital economy.

The Government of Japan, through the Ministry of Education, Culture, Sports, Science and Technology, also known as MEXT or Monbu-Kagaku-Shō, offers scholarships to foreign students who desire to study at Japanese universities as postgraduate / research students every academic year. Successful applicants receive round-trip airfare, exemption from school fees and a monthly allowance.

Please visit the Embassy of Japan Website for more information on the MEXT Scholarship Programme and our daily activities: https://www.tt.emb-japan.go.jp/itprtop_en/index.html
