

## Embassy of Japan Participates in Japanese Cultural Day at NALIS Arima Public Library

On July 21, 2025, the Embassy of Japan was pleased to participate in a Japanese cultural day hosted by NALIS Arima Public Library. The event provided an opportunity for children and parents to engage with various elements of Japanese culture through interactive activities such as Karuta (Japanese card game), Calligraphy, Origami, and the wearing of traditional happi coats.

The event was warmly received with both children and adults actively engaging in the cultural activities. Children in particular expressed great enthusiasm, enjoying hands-on experiences and gaining a deeper appreciation for Japanese traditions.

The Embassy of Japan looks forward to continuing its cultural exchange initiatives and fostering a deeper understanding of Japan among the youth.
