(Emergency Grant Aid)

Country St. Lucia, St. Vincent and Grenadines

Field Emergency Relief

Grant Amount Approximately 98,000 US dollars (St. Lucia)

Approximately 86,000 US dollars (St. Vincent and Grenadines)

Handing over November, 12th, 2010 (St. Lucia), November 13th, 2010 (St. Vincent and Grenadines)

Outline of the Project

At the end of October 2010, Hurricane Tomas hit the Caribbean Countries. Especially, two countries, St. Lucia and St. Vincent and Grenadines, were affected severely.

The government of Japan decided to dispatch emergency relief goods immediately to both countries in view of humanitarian assistance and friendly relations between Japan and the two countries.

Emergency relief goods which the Government of Japan sent include Generators, Code Reels, Water Tanks, Water Purifiers, Plastic Sheets.
