Broadcasting of Japanese Drama Series “Jin”

CCN TV6 will begin broadcasting the drama “Jin” at 12:45 p.m. on Thursday 1 February 2018 and subsequently at 1:00 p.m. every Thursday.

“Jin”, follows the character Jin Minakata, a brain surgeon who is hurtled back in time to the Edo period at the time of the fall of the Tokugawa government. He finds himself having to save lives without the luxury of modern medical equipment or medicine, and unwittingly thrown into the middle of the tumultuous political times. Taking to heart the words, “God only presents you with challenges that you can overcome,” Jin endeavors to make the most of his new lot in life, as if convinced that he will rediscover something in the past which he has lost in the present.

We hope that you will enjoy this Japanese drama together with “From Northern Country” which airs from 1:30 p.m. to 2:30 p.m. on Mondays, Tuesdays, Wednesdays and Fridays on CCN TV6. This broadcasting is made possible by a Japan Foundation project which offers a variety of Japanese television programs to TV stations around the world.
